

## **KING OF HEARTS – RULES OF THE GAME – Revision #5.2**

Tickets are **\$1.00** per ticket with no limit on the amount of tickets that can be purchased. Tickets can be purchased immediately after each drawing and up until the time of the next drawing.

**THIS GAME IS OPEN TO ALL AERIE AND AUXILIARY MEMBERS WHO POSSESS A VALID MEMBERSHIP CARD AND ARE IN GOOD STANDINGS ONLY!**

This game will start with an initial **\$300.00** starting prize fund towards the jackpot.

Each Thursday (unless otherwise posted) at **7:00 p.m.** a ticket will be drawn from the tickets purchased for that week. The winner no longer needs to be present to win however winners who are not present will only receive **half of the prize money payout**. If you cannot stay for the drawing write your name and telephone number on the back of your purchased ticket(s) and deposit them into the **King of Hearts** game bucket. **Tickets will be sold only until 6:50 p.m. on Thursday nights!**

The **Social Room** clock is the official clock that will be used for the “Cut-off time for ticket sales and the “Drawing Time” each week.

If your number is drawn you will show your membership card. (**No membership card? Then another ticket will be drawn, NO Exceptions**) Once verified you will then go to the board and choose a card. If the chosen card is the **KING OF HEARTS, YOU WIN** and will receive **50%** of the jackpot. **50%** of each jackpot payout will go towards the charity selected by the **Eagle Riders** at that time. If the **KING OF HEARTS** is not drawn the winning payouts will be as follows: **ANY 2, 3, 4, 5, 6, 7, 8, 9, or 10 WINS \$15.00, FACE CARDS \$20.00, ACES \$30.00, KING of DIAMONDS, SPADES or CLUBS \$30.00, and finally the JOKERS will be worth \$50.00.**

Should the jackpot grow to **\$10,000.00** EVERY card on the board, no matter what it is (except for the King of Hearts) will be worth **.5%** of the jackpot for that week. Example: At **\$10,000** the chosen card (other than the King of Hearts) would be worth **\$50.00**, at **\$11,000** the chosen card (other than the King of Hearts) would be worth **\$55.00** and so on.

Once a card is selected, other than the **KING OF HEARTS**, that card will be removed from play and shown face up on the board. Each week, after the drawing, all tickets purchased for that week’s drawing will be destroyed and sales for next week’s drawing will begin.

The total prize pool (jackpot) will continue to accumulate weekly until the **KING OF HEARTS** is drawn. The jackpot amount, based on tickets sales and after weekly payouts will be updated and prominently displayed on our white board in the Social Room right on up until to the next weekly drawing at 7:00 p.m.

**GOOD LUCK TO EVERYONE!**
