AUGUST 2020

Messages from our 2020-2021

Deer Valley #3871 Presidents

From: Worthy President

Frank Ferris:

Brothers and Sisters DV Eagles 3871:

Hello and welcome to August. How's your summer going so far while we fly through yet another month of openings, closings, re-openings and even more state and city mandates that are sure to follow? First off let me thank the membership for complying and coping with our seating arrangements throughout the club and following the so-called and somewhat guidelines we seem to face on a daily basis in the realm of social distancing. I know these times are trying and hard to even begin to comprehend but know that we are always looking towards the health and safety of everyone, everyday. Bear in mind that this isn't a game of power for the officers here in our club but a failure in the use of power in our state and the city elected that we are forced to abide by.

Let me also thank the employees that have been forced to wear the masks and the intense cleanings that are being performed daily again for everyone's safety and peace of mind. Let me also thank the Trustees for their due diligence and keeping us all on track with a new sense of stability shown within our club that will only prove to get better over time as this I know and have seen for a fact without any smoke and mirrors.

We all have quite a long road ahead of us and now more than ever your understanding, support and cooperation

would be greatly appreciated as we all will re-write the next chapter towards this clubs new growth and whatever we may have to face tomorrow we'll do together remembering we're never alone here at 3871 with family and friends like no other.

Thank you, Brothers and Sisters for everything that you do towards our overall success. With people like you there is nothing that we cannot overcome!

Frank Ferris

President F.O.E. #3871

From: Madam President

Lise Crockett:

Brothers and Sisters:

Well here it is August. WOW! How time flies while being quarantined. During these uncertain times and what we have been going thru since March has been very difficult to say the least on all of us. We need to **bounce back** like never before and **support** our Aerie #3871.

Even thou we were closed for a couple of week's, we are now opened. Come and check out our open kitchen from 5-7 pm. We are still doing dinners, like, Taco Tuesdays, Hamburger Wednesdays, Special Dinners on Thursdays nights along with the King of heart drawing at 7 pm and open mic night. Friday's we are still having Fish Fry's and some sort of music from 7-10 (Singer, Karaoke or open juke). If it's not in the calendar, come and look at the TV screen for any new events planned.

IF ANYONE IS INTERESTED IN HELPING IN THE KITCHEN, PLEASE LET ANY OF YOUR AERIE AND AUXILIARY TRUSTEES KNOW!

Hope you are all well! Stay cool.

See you soon 😊

VOLUNTEER OF THE MONTH For August 2020

This month we have chosen an Aerie member as "Volunteer of the Month". This person has stepped up when it was most needed by volunteering for Taco Tuesdays, Burger Night, and Meat Raffles. All of this on top of learning a new officer's position. That's what volunteering is all about. You see a need, and you fill it. All our thanks and gratitude goes out to Danny "Doc" Williams. Thank you so much for all that you do! And your volunteer spirit for the Fraternal Order of Eagles #3871.

Side note on Volunteer of the Month:

Please respect the person selected as Volunteer of the Month and leave their parking space **OPEN**. They are chosen for all they do for this club and just because it may be empty when you come in, they may be right behind you continuing their hard work for the club. Please respect them by keeping it open for them. They earned it! Vehicles will be towed at the owner's expense.

AERIE TRUSTEE'S SUGGESTION BOX

The Trustees don't mind helping when it comes to getting suggestions in the Suggestion Box, located in the rear hallway, next to the Trustee's Office. OH, **please sign your complaint**, situation, incident or suggestion if you wish to hear a response to it. We have received several suggestions and good ones too and we can't respond to them because they were not signed. Thank You.

A Touch of Life

Recently I went to the doctor for my annual physical.

The nurse asked me how much I weighed. I told her "135 pounds". Then she weighed me, and the scale said 160. She asked me how tall I was. I said, "5 feet 5 inches". She measured me, and I stood only 5'3".

Then she took my blood pressure and told me it was high. "Of course it's high," I said. "When I came in here I was tall and slender. Now I'm short and fat!"

Hello all and welcome to August! Where does the time go actually? At this rate next week it'll be Christmas already but here we are. I know it's been awhile since I have wanted to put something, anything into the news but I have to ask, once again, why doesn't anyone utilize our Web Site?

Statistically, these pages are viewed by between 250 and 400 people monthly on a regular basis! Want to know what has been updated and added weekly? My consistent updates of the King of Hearts Game.

How is that, in almost 10 years since these web pages themselves were uploaded that no one is taking advantage of this FREE advertising to inform others of our upcoming events we have on a monthly schedule? Isn't this why we have planning meetings for charities and events?

Contributing is quite easy as well. Send to me your fliers, event details and any information you'd like to have added to me either by emails to fwferris@cox.net or you could leave your information for me right here at the club and I'll pick it up. Once received, your information will be posted on our "Events" pages with links directly on the "Home" page for inquiring minds and the world to see!

When writing to me or leaving packages please include your contact information, (Name, Telephone Number and Email Address) so that if I have any questions, we can complete the process together. For right now I am limiting this type of "advertising" to us here at 3871 only. This may change over time where a nominal fee may be charged to other groups for inclusion on our pages and all monies received will be contributed to whatever our "Charity of the Month" will be at the time.

Again, this in the early stages and more information will become available on how to advertise with us as I develop these types of pages including a "Buy Advertising Now" and the "Donate to Charity Now" buttons.

As always, I'm looking to help you in any way that I possibly can. This here is a great start when YOU alert people and OUR members of exactly what's coming up and what's going on here at F.O.E. #3871. Looking forward to hearing from you. Have a great month!

This is my Club (and your Club too!). Why do I do what I do?
Because this IS our Club! Does it need to be done? STEP UP!
Do Not complain unless you VOLUNTEER. Do you see something that needs to be DONE STEP UP! An hour here and there makes all the difference, DO IT? Ask a few members, make it a group, a party. Join a COMMITTEE, make a suggestion, follow it through.
Wash a wall, paint a wall, join the kitchen staff. WE ALL need to help keep OUR CLUB IN ORDER!

Golf Committee,

Once again it becomes necessary to cancel the Bruce Tracey Memorial Golf Tournament that was scheduled for September 12th, 2020 because of the Covid-19 Pandemic. The committee has discussed the logistics with the trustees and the President that we are unable to maintain social distancing at the club for the event.

We have already reserved a date for 2021.

Mark your calendars for Saturday May 8th, 2021!

On a positive note we did the drawing for the 56" T.V. on May 4, 2020, the lucky winner was an Auxiliary Member: Betty Olsen, Congratulations! We also raised **\$500** for the kids. Thank you to everyone for participating.

The members of the committee will be contacting all the sponsors that paid fees, to see if they want to carry over their fees into next year or refund their sponsorship fees or prizes.

Sincerely,

Rob Mc Donald /Chairman

Paula Rogers /Co-Chairman

Eagle Riders Mission

To have fun in a family-oriented organization, dedicated to the enjoyment of motorcycles and safe riding, while promoting the Fraternal Order of Eagles.

It's hard to believe half the year is over already! Where has the time gone?

As you all know, with the closures and political agendas of our state, the Deer Valley Eagle Riders have had a rocky start to our fiscal/charitable year. We want to thank everyone for sticking with us while we "iron out" all the administrative details. Hopefully, this fall will be a pleasant one and we can do more Rider activities and more rides!

UPCOMING EVENTS

The Arizona Law Enforcement Emerald Society is hosting "The Desert Garda Charity Poker Run" on Saturday, September 19, 2020. Registration starts at 7:00 a.m. Kick stands up at 8:00 a.m. The ride will start at Tim Finnegan's Pub on 59th Avenue and Bell, follows a local route with Irish Pub stops, and ends back at Tim Finnegan's. You can register at www.azemeraldsociety.org

Eagle Riders Bike Day event on Saturday, October 3rd. This is an all-day event that will include a 'shine and show' contest for your bike, bike games, music and food to kick off Arizona bike week October 7 thru 11. Put this on your calendar! If you are interested in helping/volunteering, please contact Vice-President Tom Sullivan.

As always, your Eagle Riders meet on the first Monday of every month. Officers meeting is at 6:30 p.m. and the general meeting starts at 7:00 p.m. All members are welcomed and encouraged to share their ideas.

Rider Breakfast will be served every Sunday from 9:00 a.m. to 11:00 a.m. If you are interested in volunteering please contact one of the officers. Remember to cook requires a food handlers' card, but there are other ways to help with breakfast!

King of Hearts will be every Thursday night! Last ticket is sold at 6:50 p.m. and the drawing will be at 7:00 p.m. Food is usually served from 5:00 p.m. to 7:00 p.m. and Open Mic Night follows the drawing. Come out and enjoy the fun!
