Hello brothers and sisters! Wow! Here it is February already.

I want to thank Tom Sullivan and Andi for helping out in January for Cancer month.

VOLUNTEER OF THE MONTH For February 2020

Our Volunteer for the month of February is Bev Richardson. Bev volunteers every chance she gets. She has been helping on Wednesday Burger Nights and dinners too. She is part of our decorating committee and donates her time when needed. Thank you for everything you do and your volunteer spirit for the Fraternal Order of Eagles 3871.

Side note on Volunteer of the Month:

Please respect the person selected as Volunteer of the Month and leave their parking space **OPEN**. They are chosen for all they do for this club and just because it may be empty when you come in, they may be right behind you continuing their hard work for the club. Please respect them by keeping it open for them. They earned it! Vehicles will be towed at the owner's expense.

AERIE TRUSTEE'S SUGGESTION BOX

The Trustees don't mind helping when it comes to getting suggestions in the Suggestion Box, located in the rear hallway, next to the Trustee's Office. OH, **please sign your complaint**, situation, incident or suggestion if you wish to hear a response to it. We have received several suggestions and good ones too and we can't respond to them because they were not signed. Thank You.

A Touch of Life

The first 80 years are the hardest. The second eighty are a succession of birthday parties. Once you reach 80, everyone wants to carry our baggage and help you up the steps. If you forget your name, or anybody else's name, or an appointment, or your own telephone number, or promise to be three places at the same time, or can't remember how many grandchildren you have, you need only to explain that you are 80. Being 80 is a lot better than being 70. At 70 people are mad at you for everything. At 80 you have a perfect excuse, no matter what you do. If you act foolishly, it's your second childhood. Everybody is looking for symptoms of softening of the brain. If you survive until you are 80, everybody is surprised that you are still alive. They treat you with respect just for having lived so long. Actually, they seem surprised that you can walk and talk sensibly. So please folks, try to make it to 80, It is the best time of life. People forgive you for anything. If you ask me, life begins at 80.

Touch of Humor

Frank Ferris – www.foe3871.com

Hello all and welcome to February! Where does the time go actually? At this rate next week it'll be Christmas already but here we are. I know it's been awhile since I have wanted to put something, anything into the news but I have to ask, once again, why doesn't anyone utilize our Web Site?

Statistically, these pages are viewed by between 250 and 400 people monthly on a regular basis! Want to know what has been updated and added weekly? My consistent updates of the King of Hearts Game.

How is that, in almost 10 years since these web pages themselves were uploaded that no one is taking advantage of this FREE advertising to inform others of our upcoming events we have on a monthly schedule? Isn't this why we have planning meetings for charities and events?

Contributing is quite easy as well. Send to me your fliers, event details and any information you'd like to have added to me either by emails to fwferris@cox.net or you could leave your information for me right here at the club and I'll pick it up. Once received, your information will be posted on our "Events" pages with links directly on the "Home" page for inquiring minds and the world to see!

When writing to me or leaving packages please include your contact information, (Name, Telephone Number and Email Address) so that if I have any questions we can complete the process together. For right now I am limiting this type of "advertising" to us here at 3871 only. This may change over time where a nominal fee may be charged to other groups for inclusion on our pages and all monies received will be contributed to whatever our "Charity of the Month" will be at the time.

Again, this in the early stages and more information will become available on how to advertise with us as I develop these types of

pages including a "Buy Advertising Now" and the "Donate to Charity Now" buttons.

As always, I'm looking to help you in any way that I possibly can. This here is a great start when YOU alert people and OUR members of exactly what's coming up and what's going on here at F.O.E. #3871. Looking forward to hearing from you. Have a great month!
