**NOVEMBER 2020**

**Messages from our 2020-2021**

**Deer Valley #3871 Presidents**

**From: Worthy President**

**Frank Ferris:**

Brothers and Sisters:

Well, what can I say but yet another month in the books as we look forward to turkey day! Where does the time go? Have a Happy Thanksgiving and be safe out there!

Frank Ferris  
President F.O.E. #3871

**From: Madam President**

**Lise Crockett:**

Brothers and Sisters:

First, I'd like to thank those of you who have helped out during charity months of September and October for Hospice of the Valley, Alzheimer's and the Veteran's. Although I don't have final numbers yet. COVID couldn't even stop us and we couldn't have done this without ALL OF YOU!!! Thank you!

In the month of November, we will be trying to raise money for the holidays including and most important the Kid's Christmas party and New Year's Eve party too.

There will also be a box behind the cigarette machine for the Homeless right here in Arizona! They could use things like blankets, pillows, sheets, socks, jackets and toiletry items.

**Madam President continued:**

We will be taking everything downtown on Thanksgiving Day.

Now that the Holiday season is here, please be safe and enjoy it with your families!

HAPPY THANKSGIVING!

**Thank You:** From Chad Lemons

I want to thank you with all my heart. I did not expect to get cancer, I also did not expect to receive the outcome of all the Eagles members, friends, and family to pour out for my benefit. Look to your left, look to your right, some friends, some people you don't know. These are the people who opened their hearts. I also hope you don't have to write a letter like this. Thank you, thank you, thank you. You don't know how much you have helped. It's not over. Keep me in your prayers. I would also like to thank the two big co-chairpersons Lise Crockett and Lori Benefield, and the great cooks out in a 110 degrees day at the grill, Tim Hall and Todd Murphy.

Chad Lemon

## Special Message from Auxiliary

Every Auxiliary meeting, we have a capsule drawing. If your name is drawn and you are at the meeting, you win! The pot starts at \$200 and increases by the amount of whatever 50/50 tickets are sold each meeting. If there is no winner, the pot continues to increase. Ladies please come to the meetings to find out what is going on in your Auxiliary, volunteer, make new friends and maybe win some cash.

## From the Secretary and Trustee's Office:

**Charity of the Month:** Payments for Entertainment: If you are having entertainment at your event and will need a check, please notify the secretary by the Wednesday prior to event. We have had several instances where both trustees and secretary are scrambling on the event day to arrange payment. Thank you!

## **AERIE TRUSTEE'S SUGGESTION BOX**

The Trustees don't mind helping when it comes to getting suggestions in the Suggestion Box, located in the rear hallway, next to the Trustee's Office. OH, **please sign your complaint**, situation, incident, or suggestion if you wish to hear a response to it. We have received several suggestions and good ones too we can't respond to them because they were not signed. Thank You.

## **VOLUNTEER OF THE MONTH For November 2020**

### **Volunteer of the Month:**

We have chosen a man that has been a member for a few years. He is an Aerie Trustee and helps out in the kitchen too. We want to thank Todd Murphy for your service and all that you do for our club Fraternal Order of Eagles Deer Valley #3871.

### Side note on Volunteer of the Month:

Please respect the person selected as Volunteer of the Month and leave their parking space **OPEN**. They are chosen for all they do for this club and just because it may be empty when you come in, they may be right behind you continuing their hard work for the club. Please respect them by keeping it open for them. They earned it! Vehicles will be towed at the owner's expense.

## Touch of Humor

Two gas company servicemen were out checking meters in a suburban neighborhood. They parked their truck at the end of the alley and worked their way to the other end. At the last house, a woman watched out her kitchen window as they checked her gas meter.

When they were finished checking the meter, the older of the two challenged his younger coworker to a race back to the truck.

As they came running up to the truck, they realized a woman was huffing and puffing right behind them. They stopped and asked her what was wrong. In between breaths, she explained, "When I saw the two of you check my meter, then take off running, I figured I'd better run too!"

## A Touch of Life

A Man asked the barber, "How much for a haircut?" "Eight dollars," said the barber "And how much for a shave?" "Six dollars." "Okay, then, shave my head."

## **Eagle Riders Mission**

To have fun in a family-oriented organization, dedicated to the enjoyment of motorcycles and safe riding, while promoting the Fraternal Order of Eagles.

## **Thanksgiving is around the corner...**

As the Holidays are nearing and the weather turning pleasant, please keep an eye out for Riders on the road. Let us make sure this holiday season is a safe one for all. Thanksgiving always seems to make me reflect on what I could have done better throughout the year. As the holidays approach please remember those who are without family and keep them close. Also, please remember to have patience! Everyone is so busy and trying to cram a million things into a short time span... so take it easy on each other as we wait in lines or deal with crowds. ***Remember our oath to be people helping people.***
