**Deer Valley 3871 Presidents**

**From: Worthy President: Al Reynolds:**

Hello Deer Valley Eagles:

Thanks to all of you members that showed up to state visitation. Big thank you to all the helpers for setting up all the decorations, the helpers that cooked the food and the clean up crew. Don McGee was a champ working late into the night getting all the chairs and tables carried in from back storage shed. All of you made the event successful. The Aerie is ordering some new storage sheds for outback to help clean up old broken down sheds. We want to condense some of our storage stuff. Old broken down items that we haven't used in years, we would like to get rid of. The Aerie will post dates on TV, Facebook, and flyers on bathroom wall of dates, telling members of clean up. I Highly recommend if you want to save any items please attend that day. We just have broken and old items that other clubs have donated to us over the years that we never use. Let's get our NEST cleaned up. Don't forget February 14<sup>th</sup> Sweetheart dinner and dance.

King of hearts is starting back up this week. Don't miss out on all the fun this month. We really could use a few members to cook on Monday night burger night's. So, please if you have an open Monday night and want to help in kitchen contact Don McGee or myself. The club really appreciates your help.

Thank you  
Worthy President  
Al Reynold

Dear Members,

As we closed out the month of January, I want to thank all the volunteers who stepped up to support the charity of the month, as well as the State Visitation. Your efforts in cooking, planning, and setting up for the State Visitation is beyond appreciated. A huge shout out to Marla Jinks, Lee Leonard, Cindy McGee, Joanna Elliott and Shannon Rader for coming in early to get the tables and decorations set up. It turned out beautiful and was recognized by our State Officers.

I was thrilled to learn that the Deer Valley Auxiliary has officially met Net Gain! This achievement reflects our collective commitment to growth, and I could not be prouder of our expanding membership!

Looking ahead to February, the ladies Auxiliary is looking for volunteers to help us raise funds for the Heart Fund charity. If anyone is interested in lending a hand, please reach out to me or Vicki Lasee or any officer and we can help you get involved. There is a Scratcher Raffle board up in the case with \$300 in scratcher tickets! Tickets can be purchased from the bartender and the drawing will be at the end of the month. You do not have to be present to win!

Again, thank you ladies for your unwavering support and remember that our contributions are vital to the Aerie and your involvement makes a difference.

With gratitude,  
Leah Heller

Auxiliary Madam President DV 3871

**From: Eagle Riders President Roy Atwell:**

Where did January go?

Last time I remember it was New Years Day. Well, this year is off and running. As we work to get our By-Laws read and approved, we are working to being returned to open status with the Aerie. It is very important to attend the meetings and hear the changes to the By-Laws. We are still able to serve breakfast and lunches on Sundays. So, come on down and fill your belly and have a drink with your brothers and sisters.

If you missed the Grand Aerie Membership Coordinator Tim Hoyt at our club in January, you missed one of the most informative presentations I have ever been to. There was so much information on how to recruit and maintain membership in our club my mind is still spinning.

Thanks to RC and Linda for stepping up to make the lunch for this event. Thank you to all the members that give their time to make Deer Valley 3871 our home.

We will be rescheduling the cancer bike run for March as there are conflicting schedules at this time. I am looking forward to March as we have Bike Week March 21 st . We will have 2 bands, Bike wash girls, food, bounce house, and more. This event would be a great time to invite your friends, co-workers, and family to the club to see what we are all about.

If you have any questions or suggestions, please feel free to reach out and let's have a conversation.

Fraternally yours,

Roy Atwell President Deer Valley Eagle Riders #3871
